

## **AIACC-Privacy policy**

- 1) aiacc.eu pays great attention to security, in order to prevent unauthorized use of data.
- 2) The data related to web page accessibility (which can be changed using the AIACC tool) are stored exclusively in the user's browser and are not recorded by aiacc.eu in any way.
- 3) aiacc.eu does not collect information about users who visit the web page [www.aiacc.eu](http://www.aiacc.eu) or forward it to a third party.
- 4) The only exceptions to point 3 are the following:
  - If the user requests the registration of the AIACC tool, then the data sent via the registration form is recorded in our system and used exclusively for registration and issuing invoices. These are: company name, contact e-mail, web page for which the tool is to be registered, company address and VAT number
  - During the use of AIACC without registration for the purpose of testing the tool, the web page data where the unregistered version of the tool is used is recorded (URL only). This data is used solely for the purpose of preventing the permanent use of an unregistered version of the AIACC tool.
- 5) You have the right to request a change of the data you have given us at any time, or in case of termination of cooperation, you can request the deletion of your data. In that case, keep in mind that the data collected and processed by then (invoices issued, orders processed, etc.) cannot be cancelled.
- 6) We are at your service for any question you may have regarding the privacy policy - send an e-mail to: [support@aiacc.eu](mailto:support@aiacc.eu)
